Dear Families:

We cannot wait to have your child (ren) back in school. Although we realize that this year will be a challenge for all of us, we want to thank you for your trust in us as we navigate this new normal. We also want to thank you for your patience and flexibility as we reopen the schools in a very unprecedented manner. Things will surely be different, but we are here for you. As heard on the radio recently, “We all need to root for each other!” Please do not hesitate to reach out with any need your family may have.

The supplies listed will help your child with their learning this year. They are recommended, and not required. If you have the suggested items at home, your child is ready to learn and nothing needs to be purchased. Please note: When we return to school in the hybrid-model, teachers WILL NOT be placing student supplies in a classroom community box. This year, each child will need to have their own supplies when we return to the building (per CDC Guidelines). Please call or email me with any questions.

Thank you.

Sincerely,

Mr. Kirk D. Johnson, Principal
